Undergraduate Internship Program - Computer Science/Engineering

Undergraduate Internship Program - Computer Science/Engineering

Work Schedule: Full Time
Location: Washington, DC metropolitan area

Our internship program seeks motivated undergraduate students pursuing degrees in Computer Science, Expert Systems, Hardware/Software, Networking, Programming, Systems Analysis to work in the CIA's Directorate of Science and Technology. You will be part of team providing quick-turnaround technical solutions to satisfy unique communications requirements that require the application and/or modification of both proprietary and commercial hardware and software. Additional responsibilities will include requirements definition, analysis, fabrication, test, and documentation.

Minimum qualifications: Students should be enrolled in a Computer Science, Expert Systems, Hardware/Software, Networking, Programming, or Systems Analysis program with a GPA of 3.0 or better.

Interns generally are required to work either a combination of one semester and one summer internship or two 90-day summer internships.

All applicants must successfully complete a thorough medical and psychological exam, a polygraph interview and an extensive background investigation. US citizenship is required.

To be considered suitable for Agency employment, applicants must generally not have used illegal drugs within the last twelve months. The issue of illegal drug use prior to twelve months ago is carefully evaluated during the medical and security processing.

Important Notice: Friends, family, individuals, or organizations may be interested to learn that you are an applicant for or an employee of the CIA. Their interest, however, may not be benign or in your best interest. You cannot control whom they would tell. We therefore ask you to exercise discretion and good judgment in disclosing your interest in a position with the Agency. You will receive further guidance on this topic as you proceed through your CIA employment processing.

To Apply:

Save the position(s) that interest you in the job cart. You can add up to four (4) positions. Job cart selections will only be retained during this site visit, so be sure to click "Apply Now" before closing the browser window. After clicking "Apply Now" you will be taken to the application account creation page. The positions will appear in the cart once you have created an account.**DO NOT** submit multiple applications; this will only slow the review of your application and delay processing. Please read the Application Instructions carefully before you begin the online application process.

Application Instructions

An equal opportunity employer and a drug-free work force.
